

ESN is pleased to announce the recipient of the 2017 ESN-Young Scientist Lectureship Award:

Dr. Clévio Nobrega, Portugal

**Dr Nobrega will give a talk entitled
“Machado-Joseph disease: from pathogenic mechanisms to
therapeutic strategies”
at the Paris ISN/ESN meeting on August 22nd 2017 at 10.00.
We look forward to welcoming meeting participants at the ESN
YLSA presentation and lecture!**
