**CALL FOR
PROPOSALS FOR
HOSTING THE
BIENNIAL
ESN MEETING 2021**

The Council of the European Society for Neurochemistry is inviting ESN members to put forward proposals for the location and organization of the Biennial Meeting of the ESN to be held in 2021.

If you are interested to host and organize the ESN Meeting in 2021, please send a short letter of intention to the ESN Secretary Dr Natalia Nalivaeva before November 1, 2018. A more detailed proposal should be received by the ESN Secretary by December 31th, 2018.

Having high quality ESN Biennial Meetings is one of our major goals! ESN Officers will be more than happy to discuss with you in advance your proposals and will answer all your questions regarding the Meeting proposal and organization.

The guidelines for preparation of the bids for 2021 ESN Meeting are available at request from the ESN Secretary Dr Natalia Nalivaeva.
