Changes of the dates of the 24th ESN Biennial Meeting

Taking into account the current situation with the COVID-19 pandemic, ESN Council has decided to postpone its Biennial meeting scheduled for 2021 in Saint Petersburg, Russia until May 2022. **The new dates of the meeting will be May 22-25, 2022.**

Please follow us at the

- ESN Website: www.neurochemsoc.eu
- [meeting website: https://esn2021.com/](https://esn2021.com/)

The Elections of the new ESN Council members and new Officers will take place at a virtual General Business meeting in 2021 in conjunction with a virtual Neurochemistry Mini-Conference. The dates and the Programme will be confirmed in due course.

**24th ESN Biennial Meeting and 8th Conference on
“Molecular and Cellular Mechanisms of Regulation
in the Nervous System”
May 22-25, 2022
Saint Petersburg, Russia**
