## ESN Travel Awards for the 2022 FENS Forum in Paris

**The European Society for Neurochemistry (ESN) offers 3 travel grants to young ESN members for participation in the 12<sup>th</sup> FENS Forum of Neuroscience and ESN Mini-Conference (July 9 - 13, 2022) in Paris, France**

More information about the FENS Forum and FENS travel awards can be found at:

<https://www.fens.org/meetings/fens-forum/upcoming-fens-forums>

### Eligibility for application for ESN support:

- Current ESN membership
- Students, Ph.D. students and young postdocs, being younger than 36 years.
- **Only first author members submitting abstracts to the FENS Forum, are eligible for travel awards**

The financial support amounts to 500 €.

Applications should be sent electronically to the **ESN Secretary Prof Illana Gozes** at [igozes@tauex.tau.ac.il](mailto:igozes@tauex.tau.ac.il)

The application must contain the following documents:

- Application letter (max. 3000 characters including spaces)
- A short CV (max. 2 pages)
- For PhD students, confirmation of their PhD studentship from the University or Host Institution
- List of publications
- Copy of the abstract (max. 3000 characters including spaces)
- One letter of recommendation (one page)

**The deadline for applications is February 15, 2022.**

Applicants will be informed about the results of their application by **1 March 2022.**
